

皺紙花製作

Carmen Leong

材料： 顏色皺紙、綠色鐵絲、剪刀、萬能膠

做法： ① 把皺紙約每次一厘米的闊度，前後多次對摺。

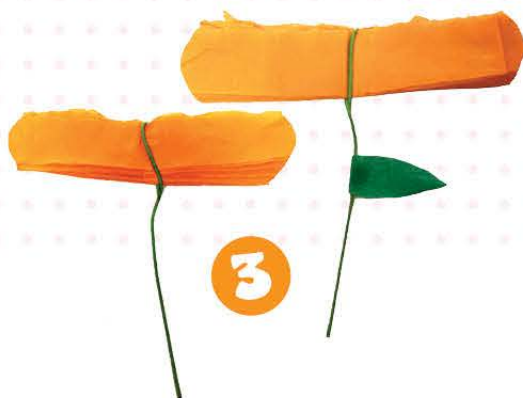

② 對摺完成後，把成為條狀的皺紙兩邊剪成圓弧狀，之後中間再對摺。

③ 中間對摺處，用綠色鐵絲的前部分綑圈紮緊固定，並預留鐵絲的後部分用作花莖。

④ 把適量綠色皺紙剪成葉子，用萬能膠貼在上述綠色鐵絲上(預留作為花莖處)。

⑤ 最後把皺紙展開，在皺紙花上加上裝飾。

可按自己的喜好更改裝飾品及皺紙顏色，創造自己的皺紙花。

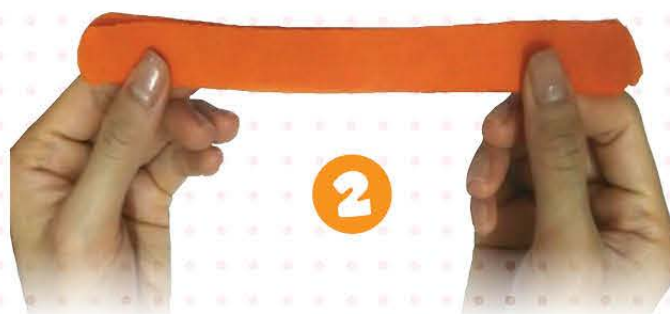

Como fazer flores de papel crepom

Materiais: Papel crepom colorido, Arame verde, Tesoura, Cola

- Passo a passo:**
- 1** Pegue no papel crepom e faça dobras com, aproximadamente, 1 centímetro de largura, para trás e para a frente, alternadamente.
 - 2** Corte as duas extremidades de forma arredondada e dobre o papel ao meio.
 - 3** Amarre o papel, a meio, com uma parte do arame; reserve a outra parte para fazer o caule.
 - 4** Recorte uma tira de papel crepom verde em formato de folha; coloque cola na parte do arame anteriormente reservada.
 - 5** Desdobre o papel e decore-o.

Pode decorar e escolher a cor do papel conforme o seu gosto para fazer as suas flores de papel crepom.

Materials: colourful crepe paper, green wire, scissors, all-purpose adhesive

- Steps:**
- 1** Fold a piece of crepe paper back and forth several times, accordion style, with each fold 1 cm wide approximately.
 - 2** Cut each of the two edges of the folded strip of paper to form the shape of an arc. Then fold it in half along the centre line.
 - 3** Twist and fasten the front end of a green wire around the centre line. Use the remaining part of the wire as the stem.
 - 4** Use an appropriate amount of green crepe paper to make leaves and glue them on the wire mentioned above with the use of the all-purpose adhesive (Keep some for use on the stem).
 - 5** Unfold the paper and attach some decorations to the crepe paper flowers.

You can create your own crepe paper flowers by changing the decorations or the colour of the crepe paper according to your liking.
