

# DIY MAGAZINE HOLDER

## 自製雜誌架

Winnie Wan

### 材料：

食物包裝盒  
包裝紙  
漿糊筆  
剪刀  
蝴蝶結

### MATERIALS:

A package box  
Wrapping paper  
A glue stick  
A pair of scissors  
A ribbon

1

剪下包裝盒開口處的部分。

Cut off the top flap where you open the box.

2

在包裝盒的側面，剪去三分二的紙皮。

On one side of the box, mark two-third of the length from the top and cut the flap off.

3

分別在包裝盒的正面及背面，沿側面餘下部分的頂端，向另一側面的上方斜切出下三角形。

Make a diagonal cut from the corner of this side to that of the side that remains uncut. Do the same on the opposite side.

4

在包裝盒的四周貼上彩色紙。

Apply glue on the four sides of the box and cover them with wrapping paper.

5

把多餘彩色紙也收邊黏合。

Fold the excess part of the paper inward and hold it in place with glue.

6

最後黏上蝴蝶結，稍作裝飾。

Finally, glue a ribbon on the front of the box for decoration.
